

Helping Your Student Get a Social Insurance Number (SIN)

In Canada, no one can work without having a Social Insurance Number (SIN). When the students you work with try to get a job, they will have to provide the Employer with a SIN. The students you work with may need your help in getting a SIN. Any student who needs a SIN can visit any Service Canada Office. Below is a link to the Service Canada Offices in Saskatchewan.

<http://www.servicecanada.gc.ca/cgi-bin/sc-srch.cgi?app=lst&pv=sk&ot=&ln=eng>

There is no fee to apply for a SIN. The student will be required to take an original birth certificate to any Service Canada office where trained professionals will be able to help if the person applying for a SIN requires assistance. If the student is not sure if they already has a SIN, the staff at the Service Canada Office can help, but the student will require their original birth certificate.

For more information on applying for a Social Insurance Number, click [here](#).
